I hope most of you have managed to have a relaxing and enjoyable Summer out and about with your units.

The ACCEO National Rally and AGM held in October was very successful. A massive thank you to The Bridge Club (2014) and Martin and Liz (ASOC) for all their hard work from a very wet Tuesday through until a little drier Monday. The weather wasn't very kind to the rally-goers but it didn't dampen our spirits.

ACCEO had it's usual Hospitality Lounge and Stand at the Motorhome and Caravan show held at the NEC. Lots of you visited us and took advantage of a sit down and drink, thank you.

Plans for the ACCEO National Rally and AGM 2020 are well under way. The rally will be held at a new venue, Ludlow Racecourse, running from Wednesday 30th September until Monday 5th October 2020. The Host Club is the All Year Round Caravan Club.

Don't forget if you visit any of the rally sites that advertise in AM, to mention that you saw their advert in AM. Also, if you visit any rally site that would be interested in advertising in AM, please ask them to contact me on ameditor@acceo.org

If anybody has any subject they think might be of interest to other Association Members and would like it included in AM, please contact me on: ameditor@acceo.org

Chairman's Chat

I am glad to say we had another successful National Rally kindly hosted by the Bridge Club 2014, many thanks to Ruth Thompson and all helpers. I have heard nothing but praise for the rally they ran, also over £850 was raised for the British Heart Foundation, and a substantial amount was donated by the Bridge Club Members, so I thank you for that as well.

It was also nice to see our newer Member Clubs attend and thoroughly enjoy themselves over the weekend. I look forward to seeing you again next year.

Talking of next year, our National Rally will be held at Ludlow Racecourse, which will be hosted by the All Year Round Club, and at this early stage it is already shaping up to being another great rally. There is a local bus service from the racecourse to the town centre, a journey of around 20 minutes. Two nights of entertainment, two acts that come with excellent recommendations and good reports. I recommend you should all try the National AGM at least once for yourselves, come, meet and make new friends.

Earlier this year I was invited to attend the Safari Club's 60th Anniversary rally as their Guest of Honour, and indeed it was a great honour for me to accept. Denise and I arrived on the Sunday afternoon and were treated to afternoon tea and sherry, and what a tea it was. A fantastic buffet, sandwiches, pies, sausage rolls and salad, followed by homemade cakes, scones and cream, it kept us going all night. At flag we all shared a wonderful birthday cake and toasted the Safari Club with Prosecco, while one of their members gave us a very interesting overview as to the history of Safari Caravans and the formation of the Safari Owners Club through to the Safari Club they are today. Finally, we accompanied quite a few of their members for a meal in the local hostelry, not only was the company excellent, we were treated to stories of past and present members which made it an evening that we will remember for a long time. Thank you to the Safari Club for making Denise and I most welcome and treating us as one of your own.

Finally, I will thank Elaine and her team for again organising and setting up the ACCEO Stand and ACCEO Lounge at the October Motorhome and Caravan show at the NEC. My thanks to all the committee that helped on the stand and to all the helpers that assisted in the lounge. I managed to get around to meet all the Member Clubs that were present at the show as well as speaking to many of the exhibitors.

Well that's all from me for now, happy rallying.

Robin Wilkinson

Insurance Officer

Our club public liability insurance continues to prove extremely popular with our member clubs, with nearly all now taking advantage of this excellent benefit.

If your club is one of a few that have not, then contact myself or Saffron Insurance and we will be happy to help. You do not want to run the risk of not having insurance, this puts your club and the committee at great risk and could leave you personally liable should anything happen.

I'm pleased to say that NIG have continued to offer the scheme to us this year and with no increase in premium, which is the third year running.

Renewals continue to be sent by email so please ensure you have received this and have dealt with it, please let myself or Saffron know if you have changed officers and have not received your insurance invite.

No days of grace are granted with insurance and it is vital that your insurance is renewed on or before the 1st December 2019, should you not renew on time, you will have to then arrange a new policy with Saffron and pay the full annual premium still.

I would ask you give insurance the attention it warrants and deal with it promptly, it should not be for Saffron Insurance to start phoning and emailing chasing you for payment.

Ian Derbyshire

National Parks, Extended Rallies & ACCEO Exempted Rallies

So far this year I have had three Extended Rally applications to date, one has been approved, and the others are due to be cleared soon.

No National Park applications as of yet, but it's still early days. Please remember that all applications for National Park rallies for 2021 must be with me by the 24th April 2020.

There are five ACCEO Paragraph 6 rallies organised for this year. AAOCC are organising four rallies and the Tiddlers and Crouchers are running one over the August Bank Holiday.

We would like to encourage more Member Clubs to organise and run ACCEO Paragraph 6 rallies, we know that there is the restriction that all members attending must be ACCEO Personal Members but the benefit is that your club may be able to attract new members, at the same time providing a service for those ACCEO Personal Members who are not associated to a Member Club. If you need more information just ask.

ACCEO Companions

Ever since I took over as Membership Officer I have attended the ACCEO Companions AGM (usually on the morning of the main ACCEO AGM) to report on the membership for ACCEO Companions.

This year saw John Wilton stepping down as the Chair of the Companions. I have stepped up to the position of ACCEO Companions Chair and during the meeting thanked John and Gilder for everything they have done for the Companions.

I remember when we first started coming to the ACCEO AGM rally back in 2008 wondering what the ACCEO companions actually were. I wonder now how many of you reading this are thinking the exact same thing! Are you now nodding your head?

A little explanation ... ACCEO Companions is a sub group of ACCEO and is predominantly for Personal Members who, for one reason or another are no longer affiliated with one of our Member Clubs but still wish to support ACCEO and stay in touch with the organisation.

So if you are an ACCEO Companion please consider coming to our next AGM which will be held on Saturday 3rd October 2020 at Ludlow Racecourse.

ACCEO Club Renewals

The paperwork should have reached the correct person in your club. I have emailed them to the principal contact given on last year's form (unless you have contacted me over the year). If you haven't received your club renewal please contact me, so I can resend it.

Many thanks to those who have renewed already.

Wishing all clubs and their members a fabulous festive time and all the best for the rallying season of 2020.

Gaynor Hart

ACCEO Personal Membership

I started taking renewals at the AGM as per usual, together with those who renewed (or became) Personal Members whilst having a much deserved sit down in the lounge at the NEC during the show. We have a really good start on our Personal Membership renewals with 41 already having their cards and fully paid up for 2020.

You may ask yourself ... ‘What is the point of being a personal member?’ I have been asked this question numerous times over the past few years. Not only are you supporting the Association and made very welcome in the lounge at both the February and October Caravan shows. You receive your own copy of ACCEO Matters which keeps you up to date with what is going on in our wonderful hobby – I know from the emails that I receive that a number of you read it cover to cover as soon as it arrives.

As a Personal Member you can also attend a rally that a club is running on behalf of ACCEO, where all those attending must be a Personal Member, such as the AAOCC New Year Rally.

All of this just for £5!

The renewal form can be downloaded from our website www.acceo.org.

Remember, that as a club if you wish to make all of your members ACCEO Personal Members your club subscription for the year is waived and all of your members will receive their own copy of ACCEO Matters, be able to attend rallies being run by other clubs on behalf of ACCEO and you will be able to run such rallies for your own club. Please contact me for more information.

ACCEO National Rally October 2019—Thank You

Thank you for all the Prize Draw donations that were received for the above rally. The charity chosen by the Host Club; The Bridge Club (2014) was The British Heart Foundation. Together with the sale of Prize Draw tickets, the books that were sold, the quiz evening, and the rally concession fees for the Host Club being donated to the charity, the total raised was £869.80.

Thanks must go to Martin and Mark from Truma for giving up their Sunday morning to come and speak to us on the rally.

We also had a demonstration by Motor Step, thank you to Paul and Daniel. Hope you received some positive feedback and orders.

Thanks also to Dometic for supplying the rally bags, and to Whale for supplying the goodies to go into the bags.

EXHIBITIONS AND EVENTS

ACCEO National Rally October 2019

On Sunday morning Martin and Mark representatives from Truma came to speak to us at the rally. Martin gave us a glimpse into the future for motorhomes; Hymer had shown a video clip at the German Motorhome Show of a driverless motorhome wending its way around the Alps whilst the couple were sitting in the passenger seats in the rear lounge admiring the view! Scary! Mark explained that Truma was a very customer-focussed company and whilst they believe it is important to support their dealer network, they consider that it is equally important to support their customers. So, anyone with a problem or query concerning Truma equipment that cannot be resolved by their dealer should contact the Truma Customer Support team at Derby (01283 587900) and they will be only too happy to deal with the issue.

We also had a demonstration by Motor Step, a very clever and well-designed piece of equipment which assists the less-able to continue to be able to get in and out of the caravan or motorhome when they have lost some of their mobility. Thank you to Paul and Daniel who run this small firm and have customers all around the world. Hope you received some positive feedback and orders following on from your demonstration to us. If you missed their demonstration or want more information, check out www.motorstep.net or call them on 01296 709630.

Humph Jones

As I mentioned in AM 99, John Wilton our Webmaster and member of the Exhibitions Team has decided to step down from the Committee due to health reasons. Thank you to John and Gilder for all the commitment they have given to ACCEO over the past 10 years as committee and also for the support prior to joining the committee. Wishing you a healthy future.

Dear Mr Thompson

I'm writing to say thank you so much for the recent gift of £869.80 to the British Heart Foundation.

I believe this is the first time you have donated to the BHF, so I'd also like to wish you a warm welcome. With people like you at our side, we are taking huge steps towards healthier hearts, and keeping people with their loved ones for longer. Put simply, without your generosity we just could not sustain our life-saving work.

I'm proud to say that the money you give helps us to support pioneering research and deliver life-saving care to the people who need it most. Your kindness gives us hope for a future without heart disease – and the confidence that we can be there for those whose lives are affected by it now.

And remember, we're here for you too. So if you have any questions about heart health, or if you need support and advice, just call us on 0300 330 3311. Our lines are open from 9am to 5pm, Monday to Friday.

Thank you once again for supporting us in the fight for every heartbeat.

Yours sincerely,

Amanda Pullen
Customer Services Manager

PS Did you know that with Gift Aid the BHF can reclaim the tax paid on your donation? It could be worth up to 25% more at no cost to you! Just sign the form overleaf and send it back to us.

Beat heartbreak forever.

ASSOCIATION OF CARAVAN AND CAMPING EXEMPTED ORGANISATIONS

Notes Taken at the Open Forum following the 36th AGM
held at the Ukrainian Youth Centre, Derbyshire
on Saturday 5th October 2019 at 2:35pm

The ACCEO Chairman, Robin Wilkinson, welcomed everyone back after the break. He asked if anyone had any questions for their Committee on matters of a more general nature than were able to be raised during the more formal proceedings of the AGM or if they had any other points they wished to bring up in this forum.

Maureen Ward (Swift Owners Club) said the Motorhome and Caravan Club have 100 caravanning units at Grasmere for 4 weeks every year. As they are signed up to avoiding 'overuse' of any particular piece of land how do they manage this? Chatsworth also do a similar rally. Paul McArdle (Elddis Owners Club) added that a THS (Temporary Holiday Site) is run at Whitby on the same basis. Peter Brown (the Association Secretary) said the '28 day rule' was a gentleman's agreement between organizations who hold Para 4 Exemption Certificates and DEFRA, whereby these organizations agreed to exercise restraint to avoid overuse of any piece of land. However, the Camping and Caravanning Club say they have grandfather rights that pre-date this agreement and don't wish to surrender these rights. The question gets asked regularly.

Iain Mellis (Alternative Retro Classic Caravan Society) asked how much it cost to advertise in ACCEO Matters. Elaine Nicholls, speaking as ACCEO's Publications Officer, advised him of the rates. He then asked that if all Club Members became Personal Members of ACCEO, was the Club membership fee then waived? He was advised by Gaynor Hart (Membership Officer) that was the case.

Paul McArdle (Elddis Owners Club) asked if there was any advantage in going to the Caravan and Motorhome Club or the Camping and Caravanning Club, rather than to ACCEO, when applying to hold a rally in a National Park. Robin Wilkinson, speaking as ACCEO's National Parks Officer, thought not, and said you get a personal service from ACCEO as one of its Member Clubs.

Phil Belt (Elddis Owners Club) said he had applied to attend this meeting but hadn't received a reply. The Chairman said he would investigate and let him know the outcome.

Iain Mellis (Alternative Retro Classic Caravan Society) observed that there was no timing for the AGM shown on the rally poster. The Association Secretary said the poster was to advertise the National Rally, whilst the AGM details were on the Calling Notice sent out to every Member Club. Humph Jones (Minutes Secretary) added that details for this year's AGM were in last year's AGM Minutes which were published in AM Issue 98 (April 2019) and were also on the website.

There being no further questions, or points raised, the Chairman declared the Forum closed at 2:50pm.

Brexit - Driving Abroad and Green Cards

With negotiations continuing over the United Kingdom's exit of the European Union and uncertainty surrounding the terms of the Brexit deal, we want to provide an update on the potential impact should the UK leave the EU without a withdrawal agreement. It is important to note that nothing has been formally agreed at this point but we feel you should be aware of the potential implications on the motor insurance industry.

Guidance from the Association of British Insurers (ABI) and Motor Insurance Bureau (MIB) is that drivers taking their motor vehicles into an EU country should be prepared and have a Green Card when driving abroad.

Why is a Green Card needed?

A Green Card is an international certificate of insurance which guarantees that the motorist has the necessary third party insurance cover. These certificates prove that drivers are suitably insured to drive in these countries. A physical copy of a Green Card on green paper is needed when travelling as digital copies are not currently accepted. If you arrive at the border without a physical Green Card, you may not be allowed to drive in that country.

There is also the risk that if you cannot supply the adequate proof of cover, your vehicle could be impounded in the country.

International Driving Permits

If the UK leaves the EU without a deal, you might need an International Driving Permit (IDP) to drive in all EU and EEA countries, apart from Ireland.

You will need -

1926 permit to drive in Liechtenstein

1949 permit to drive in Spain, Iceland, Malta and Cyprus

1968 permit to drive in all other EU countries, plus Norway and Switzerland

You can get an IDP over the counter at the Post Office.

They cost £5.50 and you must be a GB or Northern Ireland resident, have a full UK driving licence and be 18 or over.

What does it mean to you?

At present the majority of policies arranged allow for policyholders to drive within the European Union for a certain amount of time with the cover being confirmed by the insurance certificate we issue. However you are best to contact your insurers to confirm before travelling abroad.

Ask ACCEO

Although the members of the ACCEO Executive Committee are unpaid volunteers, we are all experienced caravanners (I include Motorhomes, Tents and Trailer Tents in this generic description) and have further gained knowledge from interacting with ACCEO Member Clubs and other organisations that participate in our chosen pastime.

It is a matter of fact that organisations evolve, personnel change and requirements alter. If, as a member of ACCEO, you feel you've been 'dropped in at the deep end' do remember that we are here to help. We may not be instantly available due to family or work commitments, but we will try our very best to help.

Personally it has given me great satisfaction to be able to help both member organisations and site owners over the last few years so do not feel that you would be being a nuisance if you ask for help.

Peter Brown
Association Secretary

Motorhome and Caravan Club Autumn Parliamentary Reception 2019

This year ACCEO was represented at the Motorhome and Caravan Autumn Parliamentary Reception by Gaynor Hart and myself. Unlike last year when we had to queue for over an hour to get in, this year we arrived and cleared security in seconds. We were therefore so early that we went to the café to pass the time, so much time that Gaynor had to visit the Westminster Gift Shop. What with already having visited Harrods, Selfridges and most of Oxford Street, I thought she would have been all shopped out. But no, there were strange clinking sounds every time she placed her shopping bag down. Ten minutes prior to the reception starting, we met up with everyone in The Lobby; not even our Hosts were permitted into the Churchill room before 4 o'clock. It was a totally different atmosphere from last year with no MPs or television crews around. And there was, of course, no MP hosting the event because of the imminent general election. Fortunately, the Caravan and Motorhome Club had managed to get the Earl of Leicester to come along to present the awards.

Once everyone had gathered, Grenville Chamberlain OBE, brought the proceedings to order. In his opening speech he stated that both the big clubs and the Motorhome manufacturers had got together to oppose the new taxes imposed on new motorhomes. So on to the awards, presented by the Earl of Leicester. They were awarded to the best 5 CLs, the best Club Site, the best New Starter Site and last but not least the Site in Bloom award. The Earl then said a few words explaining how at his Holkham Hall farm they had adapted and opened to Caravan and Camping as another way to bring in the pennies. Also, that at his Visitor Centre they have built a new café, A Brew with a View responding to visitors requests. He has also joined the battle against plastic and does not sell bottled water; instead they have installed a filtered water fountain where visitors can refill their own non plastic cups and water bottles.

Following the awards, Gaynor and I went round talking to site owners, members and some of the Executive Committee present. One thing in common with most clubs today, on the rallying side, is that not enough young blood is coming through to take over the reins. Even the Caravan and Motorhome Club has seen many DA's closing down as no one is coming forward to run them; so we are not alone. All in all, it was another good event, albeit a much quieter affair. I must say a big thank you to Gaynor; because of her links stemming from with rallying with the Caravan and Motorhome Club centres, I was introduced to array of Club Members which gave me a greater insight to the Club.
